Summary of 2010 Season

1st XI: This year the first team were hoping for a promotion push. This year we were hoping not to be biting our fingernails on the last day. This year we were trying to emulate the Golden Generation of Dutchy and Co. Unfortunately, only the middle statement came to fruition as we, like England in the World Cup, failed to live up to the early hype!

Our batting performance in the first game of the season (against a newly relegated Richmond) was an eerie metaphor of our season – starting well and finishing with a whimper. Our best opening stand in living memory (we do have a young team) of 72 between Tom Brandreth and Paul Sylvester was followed by the inevitable, almighty Brentham collapse. Many individuals were guilty of playing overly expansive shots as we tried to reach 300 before we had 100! Despite this, Tom did reach his maiden 1st XI fifty and looked set to fill his boots throughout the rest of the season. When the last wicket fell we had amassed 160. At tea, we had the clichéd team talk (“Bowl in the right areas, take our chances, back the bowler up, etc”) – it never works does it... However, on this occasion it did! Led by Glen Eglinton (5-55) the Brentham seamers tore through the Richmond line-up for 124. One win down, 17 more to go!

Our next two matches, against Harrow Town and South Hampstead followed similar paths: us bowling out the opposition cheaply (192 and 132 respectively) and then knocking the runs off with the minimum of fuss led by Parag Khanapurkar (PK) who returned this year as our overseas player and batted like Tendulkar, scoring 74* and 65. Three out of three! 15 more to go!

The following weekend we battled Southgate (always there or there about at the end of the season and the laughing stock of all Middlesex cricketers when their Hitler rip-off video went viral). With many rival clubs not playing due to bad weather, and our match being rained off, we had a good opportunity to cash in. We batted first and again PK scored heavily, helping us to reach 246 off 36 overs. Bowling 37 overs back at them was never going to be quite long enough and despite an intense bowling and fielding performance, we were only able to get 7 wickets. The 4 points saw us go top of the table!

Next up were Winchmore Hill (again freshly relegated) and going well this season. Unfortunately, apart from Anant Brahmhatt (AB), the top order failed miserably and it was left to Leroy Shepherd (40*) to take us towards respectability, ending on 149 all out. Winchmore were cruising towards their target when an inspired period saw us pick up 5 wickets for 26 runs. Suddenly, they were 122 for 8 and on the ropes.

However, we couldn't push home our advantage and bowlers lost their discipline and our opponents scraped home.

We needed to get back to winning ways, and quickly, in order to consolidate on our promising start to the season. In our next two matches against Enfield and Kenton we did just that. Keeping Enfield down to 204 off 54.2 overs at Enfield was no mean feat and predominantly due to PK's sensational spell in which 11 of his first 14 overs were maidens. PK and AB then put on a batting masterclass as they hit the ball to all parts in an unbroken stand of 142, PK scoring 115* and AB 58*. Fortunately, No's 6 and 7 had brought their pad rash cream. Choosing to bat first against Kenton, we scored 239 off 46 overs with contributions from Paul, Majid Ali and PK. Bowling any team out second innings at Brentham is always tricky and made even more so when it was clear Kenton had no intention of chasing our total down. However, we finally got the last wicket with 2 overs to spare. 5 wins and a winning draw in our first 7 games saw us sitting in a promotion spot.

We travelled to bottom of the table Harrow confident of a win. Apart from 4 wickets from Glen they reached 245 from 53 overs. In response we started well with skipper Vish Vakani (pushing himself up the order to No 4 and scoring 64) being well supported by Maj. However, after the dismissal of Vish we had the most almighty of Brentham collapses and it was down to Sully Mughal at No 10 to whack 58. Having taken us past the 4 points target, Sully was unfortunately out the next ball and we had slumped to our second defeat of the season.

Going in to the second half of the season we knew we had to perform to a similar level and take points off our promotion-chasing challengers – Richmond, Southgate and Winchmore Hill. We lost to Richmond (their No 3 scored a brutal 100) and Southgate (we were all out for 112) and Winchmore Hill was abandoned at tea after we had been given a batting lesson by their No 5 who scored a fantastic 100 and managed to ensure that their No 6 onwards faced a maximum of one ball per over, so expertly did he manipulate the strike.

In between these games we played Harrow Town who scored 251 from 55 overs with Naz Ali and Sully both bowling impressively for in excess of 20 overs each and picking up 4 wickets apiece. Our response was strange, and that's saying something by Brentham standards. After 11 overs we were 76-4 and two players had retired hurt, including Ashwin Kapoor who was carried off by one of their players while gazing lovingly into his rescuer's eyes.

We were saved from another defeat through the batting of Vish and particularly Pujan Vyas and Jaz Rehal who batted sensibly and maturely.

We were still seeking a win in the second half of the season as we floundered in mid-table mediocrity. Fortunately, our next opponents were bottom of the table Kenton and we piled up 270 through contributions from Maj, Luke Budden, Matt Lowen and lower order hitting from Glen and Sully. We picked up wickets regularly but it was left to Vish, bringing himself on, to claim the final two wickets with his gentle 'innies/outies' (they go dead straight) both snaffled by Maj at slip. This condemned Kenton to relegation.

Our last game of the season was remarkable for the achievements of one person: Ashwin Kapoor. Anyone who had been in the bar after a game over the previous two months would have heard him pipe up, "What's your first team league average this season?" He never tired of telling us his: 47 (he'd scored 47 runs and been out once). So, aiming to finish the season averaging 50 he was hoping for either 3* or 53 (3* it was then because 53 ...). It wasn't to be as Ash was trapped plum in front first ball! However, in their innings he was brought on to bowl and claimed two wickets (including one of their batters on 99) and had two catches dropped off him. Now in the bar, or any bar in fact, you will hear him enquiring, "How many first team league wickets do you have?"

A mid-table finish after a season that promised so much seven games in. Have we progressed from last year? We gained more points and more wins than last year's campaign. We suffered from an over-reliance on overseas players for both runs and wickets and performances in the second half of the season were not good. Apart from Maj and PK no other batsmen scored 400 runs, although Paul and Tom batted well when selected. Glen, Naz and Matt often bowled well but we often lacked a cutting edge in the second half of the season and were unable to take ten wickets. Next year we need to start in a similar vein and continue it throughout the season. Batters need to treasure their wickets, not get to 30 or 50 and then play T20 style. Bowlers need to stick to those old favourites, line and length and not worry about bowling wicket taking balls every ball.

LUKE BUDDEN – 1st XI Vice Captain

2nd XI: Can this be right? The 2nd XI season report without promotion or relegation to describe? It's true, and here is how it happened.

Having been promoted in the final game of last season, the target had to be to try and stay in the top division, a task that had been beyond us in our previous 2 attempts.

Our first match of the season saw us take on Richmond on a cold and damp day. A lack of pre-season time in the middle and some poor shot selection saw us all out for 100 having been put in. Fortunately for us it looked like the Richmond batsmen had spent even less time preparing as we rolled them over for 80. High fives all round!

Unfortunately in the next game it appeared that Brondesbury had had plenty of practice as they easily chased down a modest 145 for the loss of only 1 wicket.

The next game against Stanmore saw an improved team batting performance with Dilip Thakkar hitting an unbeaten 86 in a total of 208, unfortunately we were unable to take our chances in the field as each of the Stanmore batsmen got decent scores, eventually reaching our total for the loss of 4 wickets.

So after a decent start, 2 defeats had left us just above the relegation zone. Rain at Eastcote meant we would have to wait to put things right, a good introduction to the English weather for Karan who had just landed from 40 degree heat in India.

It was important to bounce back against a Southgate side that had lost its first 3 games. We did it in style. Having won my first toss of the season (there wouldn't be many more) all our bowlers chipped in with wickets (Yogi Prabhu 3, James Martin 1, Joe Brandreth 2 and Karan Joshi 3) as we bowled them out for 102. In response we cruised to a 10 wicket win, with 47 from John Mays and 43 from Fraser Coxhill. We continued in that vein against Hampstead. 4 wickets from Karan and 3 apiece from Amit Puri and Joe saw us dismiss them for 138. We found it a little heavy going reaching the target, Karan top scoring with 40 as we eventually reached our target 6 wickets down.

So from being just above relegation we were now just below the top 2 going into the game against Teddington. Their openers got them off to a cracking start, before Amit with 5-22 from 10 overs put the brakes on. A target of 218 was set and that could have been a lot more. Chasing we got off to a decent start with Amit and John Mays putting on 53 for the first wicket. However 53-0 became 92-7 with only Matt Lowen showing any resistance. It was left to James Pettifer (aka 147) and Yogi to try and block out.

Unfortunately with 1 over to go 147 was out and we lost by 90 runs. Acton were up next on a hot day and a belter of a Brentham wicket. It was, honest. Having been put in Tom Brandreth (56) and I put on 101 for the first wicket. Karan then proceeded to give a batting masterclass as he reached his 100 in the 50th over, allowing me to declare with a massive 283-5. The Acton chase never really got going with Yogi (3-31) and Karan (3-33) taking regular wickets. We couldn't break up a couple of stubborn partnerships quickly enough to get the win though as Acton finished on 139-8.

The last game in the first half of the season saw the local derby game at Ealing. Another insertion was met with another huge total in response. We reached 248-7 with Tom scoring his second 50 and Karan his second 100 in another superb display and Poojan Vyas showing great maturity and skill in making 40. With Ealing opening with their former Ealing 1st XI captain they got off to a flier, before the spin and leg-cutter slow bowling of Karan (6-33) and 147 saw them concede only 102 from 35 overs. Again we just couldn't take the last wicket as Ealing ended up on 193-9. It was a well deserved 4 points that could have been 10.

The next game saw us travel to Richmond. In a very even first 50 overs we kept them down to 211-9 with all the bowlers contributing. Unfortunately the same couldn't be said of the batters as we were all out for 136, me top scoring with 46.

The next game against Brondesbury was very much a carbon copy of the first game against them. We did make it up to 227 from 55 overs with Karan scoring 94. However the strength of Brondesbury's batting was too much for us as they cruised to a 9 wicket victory.

Stanmore were up next and having won a toss and put them in, they got off to a flier. Karan and 147 pulled them back slightly but a total of 228-6 was a daunting one. The first 2 partnerships were key to our chase. John Mays and Amit put on 83 and then Karan and John added 121 for the second wicket before John Mays ran himself out on 94. A mini-collapse followed (it wouldn't be a true Brentham win without one), but James Martin (Pikey) and Jaz Rehal saw us home 6 down with 4 overs to spare for a vital win.

Eastcote were below us in the league at this stage so the game against them was an important test of our top division credentials. Karan scored another great 100 in our total of 226 all out, which should have been enough as we had them 98-5 and 184-8, but their 8 and 10 saw them home in the last over.

Southgate still had not won a game when we came to play them. A winning toss and good bowling kept all but 2 of their players under 20. Unfortunately, one got 84 and they made it to 191 all out, with Pikey taking 2 wickets, Karan 3 and '147' 5-52. In our reply we were making good progress, Amit had scored 55, but then unfortunately the heavens opened and we were rained off needing another 80 to win. Still at least we had the 4 points by the time the rain came.

Hampstead were another team who were below us but threatening to overtake us. A wet wicket saw a delayed start and we never got going. Jayesh top scored with 60 batting at 9 as we batted out 55 overs to reach 134-9. Painful. Another deluge at tea time saw the outfield become even wetter and our openers not able to run up and bowl with any conviction. Add to that the fact that the £1 a pint offer at their bar was no longer on offer made Pikey very unhappy. We took 3 wickets as they chased our meagre total down with ease.

Next up were Teddington. On their arrival it was clear that they were a much changed side from the one we had played earlier in the season. However despite them missing a host of regulars only Paul Sylvester with 50 and Jaz Rehal with 42 really troubled the scorers, much to the watching crowd's disappointment as we got up to 140. In reply Jayesh bowled superbly for figures of 5-26 from 20 overs, but unfortunately the other end only contributed 1 and a run out as they reached our total for 7. Close, but we really should have done a lot better.

So our penultimate game against Acton was a crucial one, given Ealing were our last opponents. Arriving at their ground after a very wet week saw their opening bowler with broad smile – he had obviously heard about my toss-losing abilities and true to form we were inserted. 37 for 0 turned into 65-6 but some good sensible batting from Fraser and Jayesh down the order saw us post a total of 140. It was to be more than enough as Jayesh (5-17) and Glen (4-19) took regular wickets as we bowled them all out for 38. Ten points and our survival guaranteed.

Despite being safe a game against Ealing is never a dead rubber so after failing to win my last ever toss and being put in it was nice to put a decent score on the board. With me getting out in the 90's for the second time this season (9 seasons with Pikey has held me in good stead in terms of avoiding buying drinks for people – even my Christmas card from him was hand delivered to avoid him having to buy a stamp) it was left to Joe Brandreth to score his maiden 2nd XI league 50, just reward for an excellent season and testament to his excellent temperament and understanding of how to build an innings.

We declared on 214 and although we took regular wickets we didn't take the chances we needed to, to end with a win as Ealing made it home 8 down with 4 balls to spare.

So the season ended in defeat, but overall we had met the target I had set at the beginning of the year. We had stayed up and look forward to top division cricket for a second successive year.

My thanks to Yogi for his sterling efforts as Team Secretary in ensuring we always managed to put out a full side in every game, to James Pettifer for taking the side in my absence and for his support as my vice-captain, to John Capps for his umpiring and to Peter Brandreth for his work in the Scorebox.

This is the 6th end of season report I have written as 2nd XI captain and it is also my last. I had decided at the start of the season that it would be my last as captain, so to be able to sign off having stayed in the top division was even more pleasing. I would like to thank everyone who has played for me over the years for their efforts and all the people off the pitch who have given me their support. I wish my successor well and look forward to taking the senior pro role in the coming season. All the best for the 2011 season.

JON MAYS – 2nd XI Captain

3rd XI: After narrowly missing out on promotion last year we went into this season a year wiser and expecting to make the jump to the division above. Of course the key to the season would be getting a good start and the idea of putting one over Ealing was all the incentive we needed. Before that though we had what we thought was a tricky game away at Southgate who were relegated the season before. It turned out that our biggest challenges on the day were the arctic weather and the hunt for a 'missing' scorebook! Fifties from Paul 'appul' Saggars and Sahil 'Ludoo' Patel set up the second innings for us. Three wickets apiece from Joe 'Broady' Brandreth and Chris 'Touchy' Healy gave us victory by over 100.

Next up was Ealing and with no need for one of the skips' team talks for motivation we were on the front foot from early on in the game. 5 – 29 from Rajiv Patel along with wickets for Ciaran 'lightning bolt' Brett, Sahil and Chris Healey helped us bowl them out for 160. The highlight of the innings being one of their batsmen spending what felt like five hours constantly playing and missing to the point where scorer Keith Brett smashed his pencil in a vicious rage! James 'Every other ball must go' Hitchcock put the Ealing wannabe Shoab Akthar in the bin early on and led us to victory with a quick fire 72.

Then came the frustration of Wycombe House. We batted magnificently posting 236 in 42 overs with fifties for Sachin 'Tendulkar' Puri and Saggs once more as well as contributions from Nishant 'The Doc' Patel and Hitchko. Unfortunately we couldn't bowl them out in the 58 overs we had and in all truth we'd still be going now if the umpire hadn't called time. A rain of followed against Kenton the next week. Our first blip came against South Hampstead where we let ourselves down in all 3 departments although the introduction of Poojan 'superstar' Vyas was a great addition for both the Third team and the Club. Special mention must go to Immy 'haraami' Hammidon for his inability to catch a thing on the day, continuing the fine fielding tradition that Eamon Brett's face began at the ground a year earlier. The following week against Ickenham we picked ourselves back up and crucially got over our chasing hoodoo. Set 231 to win in 45 overs we won off the penultimate ball of the game with the lightning bolt chipping a single to guide us home. Dilip 'Burly Lad' Wilson and The Doc set us on our way with a fast scoring 115 run partnership with individual scores of 60 and 40 respectively. Contributions the rest of the way down guided us home in a tight and exciting game.

Next up was the game that we felt was the key to the season and we came out on top again, if only with 4 points, against Acton. 3 wickets apiece for Adam 'Compton' Haras-Gummer and Sahil in a disciplined bowling performance limited them to 254 for 9 in 55 and after that 4 points was the most realistic target. 60 from Dilip and a classy 96 from Poojan got us to the 4-point target 5 down. Routine victories against Uxbridge and Harrow Town followed. Ciaran picking up 7 – 50 and Saggs leading the chase with 69 as we beat Uxbridge by 4 wickets. 5-45 for Touchy and 91 from an in-form Saggs saw us to 10 more points at Harrow Town.

At the turn of the season we were flying high and in with a real shout of promotion as long as we could keep the side together. Southgate turned up to our patch and folded again with the Bretts being the chief destroyers sharing 8 wickets evenly. 40's from Steve 'now in size 0' Gaffin and Immy saw us home in relative comfort. The following week we were humbled by Ealing and the less said of that the better. I will get murdered by Alex 'Leroy, Winky, Knife any man, Disselicious, S.O.C.' Watson if I didn't mention that he got his first league fifty, finally forgiving Cippo for getting his car nicked a few years earlier! Although we lost the toss, we got back to winning ways against Wycombe house aided by the return of 'the Guru' Jayesh Kansara who along with Nish made 60s to help us to 225. The wickets were

shared about as we rolled them for 120 and moved on to our Bogey ground at Kenton. Having our side filled with a significant amount of players who had just returned from tour it seemed like it was going to be a real tough day. Somewhat miraculously we were brilliant in the field, the highlight being Ciaran Brett eventually clinging on to one in the deep with the aid of one of his stomachs and the runs were knocked off by a brilliant hundred from Tanmay 'the Orient' Desai.

At 58 for 7 against promotion rivals South Hampstead we needed a miracle and it duly came in the form of a downpour. We were never going to go back out after that and it's just a pity South Hampstead didn't realise earlier as there was a bar waiting for us!!

Another rain off against Ickenham led to a massive fixture against Acton, which we dominated from start to finish. A Team performance, with contributions all the way down, set them a total of 226. We bowled them out for 127 with the Bretts showing Acton how much you can learn when you see the light, claiming 7 of the wickets to fall. With news coming through that South Hampstead lost we were able to enjoy the night after being promoted.

After knocking over Uxbridge next game we could have some fun against Harrow Town in the final game. In what proved to be the best game of the season and possibly the best game that many of us had ever played in we chased down 316 in 46 overs with a wicket remaining. The most impressive bit of the chase was the savage batting of Ravi 'Bopes' Patel, Sahil and Nish all eclipsing one another with the fastest fifties of the innings. Late contributions from Immy and the Skip as well as Saggs on one leg helped us over the line after the Bretts made it as difficult as possible for us by contributing 8 in 8 overs during the chase!!

We had achieved the goal of promotion, albeit in second place, by 24 points and go into next season with a lot of optimism and Imran.

Big thanks must again go to Mrs Sagggers for her tea, which this year was so good that it fired Paul to some runs, and to Keith Brett who continuously proves himself to be the most useful person to the Club in his family! Also big congratulations must go to the whole Team, who's quality, commitment and spirit led us back closer to where we should be and gives us something to build on next year.

RAJIV PATEL – 3rd XI Captain

4th XI: With the team one more year experienced, the younger players were looking to push on and establish themselves as 4th XI players. It was important to start the season off well as it took us until the second half of the season to win our first match of the campaign last year. This was achieved as we comfortably won the opening fixture. This was our most successful season since our promotion three years ago to the 4th division of the 1987 league. We ended up finishing 4th in the league having played 17 matches; winning 7, losing 4, getting 4 winning draws, having 1 match abandoned and getting a losing draw (1pt) once. We managed to get beaten badly in the away fixture to the champions (Richmond) and winning comfortably back at home where we got 4 points to the runners up (Lohana) and also beating them away. Notable contributions were:-

Daniel Raza - scoring 261 runs in 9 innings with 2 not outs @ 37.28 with a high score of 71* not out;

Dillip Wilson scoring 334 runs in 6 innings with 2 not outs @ 83.50 with a high score of 109;

Steven Gaffin scoring 210 runs in 4 innings with 1 not out @ 70.00 with a high score of 104* not out;

Imran Raza who took 20 wickets @ 14.40

Chris Hitchcock who took 13 wickets @ 10.38

Jaisreet Bajwa who took 9 wickets @ 6.33 including 4 wickets in an over

Jamie Mansi who took 9 wickets @ 23.77

And Ryan Pettifer who took 7 wickets @ 6.85

A big thanks to Imran Raza for getting the side to a full 11 every week despite the late cry offs and also for captaining the side in my absence. John Whelan for coming out of retirement and keeping wicket when he played. Let's hope we can push on once again in 2011 and try to win the league.

Player of the Season: Daniel Raza and Chris Hitchcock

Summary of 2010 Season – Colts

2010 began with Winter nets at St Benedict's School. These were generally well attended with a number of new young colts helping to bolster numbers in time for the new season. The sessions saw Hallam Moseley returning to coach every week supported well by Luke Budden, Chris Healey, Immy Hamidon and Paul Harraghy.

Another new initiative was to hold a pre-season 'open morning' at St Benedict's. Sadly numbers were poor despite a great deal of publicity being sent to local primary schools.

Although large numbers of boys were recruited to the younger age groups for the Summer season many were too young and inexperienced to play in matches but with good coaching they received many will be able to step up this year.

The colts' festival was poorly attended in the morning session, however, good numbers turned up in the afternoon which saw a competitive tournament run by senior players. This year saw the colts' festival combining with a Family Fun day which was well-supported by parents, senior players and also ex-players several of whom 'volunteered' to run stalls.

Thanks to everyone for their efforts and support throughout the season, particularly those who coached regularly and ran sides. We still need committed team managers to run sides in the future especially with Dr. Nish Patel now working away.

PETER BRANDRETH – Colts Administrator

Under 17 Report

There were very few Under 17 games this year but those that went ahead gave us a chance to make sure that all players had an opportunity either with bat or ball. We were crushed by a very strong Wembley where captain Brett bowled well in an otherwise forgettable performance.

Our second game was a cracking one against Old Actonians, once again played in a great spirit and was a nail biter. A really good bowling and fielding performance saw us restrict Old As to 112 off 20 overs with Sahil Patel and Luke Felix sharing six wickets. We looked to be cruising when Matt Newton (32) and Joe Brandreth saw us to 87-1 adding 70 in the process but a collapse and with overs running out the runs also dried up. We finally got over the line with three balls to spare thanks to Joe's 62* plus no balls in the final over.

A game played in the rain against Ealing at St Benedict's saw us totally outclassed. The only bright points in the game were three excellent catches by Will Pinder (2) and Matt Newton and Chris Whelan's stubborn resistance.

We were awarded the game against Acton when they arrived with only six players. We did play a friendly by mixing up the teams with the game being won off the last ball.

Thanks to Keith Brett for scoring and to Eamonn for captaining the side with enthusiasm. Good luck to the lads who are no longer colts and I hope they will continue to play senior cricket in the future.

PETER BRANDRETH, Colts Administrator

Under 15 report

The season opened with a double header against Wembley as the game counted as both a league and first round cup match. Unfortunately we lost the match with a performance that set the tone for the rest of the season – we bowled and fielded reasonably but our batting was never up to the task of matching the Wembley score of 117. Daniel Raza scored 34 but no one was able to stay and support him. The next game against South Hampstead saw us fail to set any kind of a target and we were easily beaten. Next up was Ealing B and this game saw what turned out to be the Under 15s only victory of the season. Stefan Walecki (42) and Lewis Steadman (24) batted well and Jonathan Hooke was the pick of the bowlers with 3-17. Defeat in a low scoring game with Perivale followed but Lewis Steadman showed the results of his work in the nets with Jayesh and returned figures of 2-16 with his left arm spin. A heavy defeat to Ealing A followed and then the return match against Wembley saw us lose again this time with no one able to stay with Stefan Walecki who made 32.

The next game saw us lose narrowly to South Hampstead - again we could not set a competitive target reaching 74 off 20 overs with only Stefan Walecki (19) making any impression on the bowling. The fact that South Hampstead managed to bowl 5 maidens out of the 20 tells its own story. However, Lewis Steadman did turn in the best bowling performance of the season returning figures of 3-6. Against Ealing B both Lewis Steadman (23) and Daniel Harraghy (27) made decent starts but could not capitalise on them and we lost by 4 wickets. We then lost very narrowly to Perivale with Stefan making a fine 36 opening the innings and James Perkins claiming 3-23. The last game of the season saw us lose heavily again to Ealing A.

Overall a disappointing season in terms of league and cup results but this is offset by the fact that many of the squad played in senior teams ranging from the 5th to 3rd XI's this season. Hopefully they will build on this experience and continue to develop their game next season.

Once again thanks are due to Jayesh Kansara for his expert coaching – those players who had 1:1 sessions certainly showed marked improvement throughout the season.

Finally, many thanks are due to Imran Raza who ran the side on those occasions I was unable to get to games and scored on other occasions. The running of the side would not have been possible without his help. He also provided the opportunities for many of the team to get their first taste of senior cricket in the 4th and 5th Teams.

Player of the Year: Stefan Walecki.

PAUL HARRAGHY - Manager

Under 13 report The depth of the U13 squad enabled us to run two teams throughout the season. The season started with our cup campaign, which was somewhat of a damp squib. Rain caused the postponement of three fixtures against Osterley, after which the result of the tie came down to the toss of a coin. In true Brentham fashion, we lost the toss, and were duly knocked out of the competition.

The first victory of the season came against Chiswick and Latymer after they were unable to field a team. There were two further victories against Chiswick. In the first, Brentham bowled Chiswick out for 59 (Harry Davies 4/9, Tom Langton 2/2 and Matt Plews 2/9), and chased the runs with relative ease (Jack Solomon 29 and Vinay Samtani 21). The second victory was a nail biter. After Chiswick scored a formidable 145/3, a loss seemed inevitable. The team had read a different script though, and chased down the target with two wickets in hand (Vinay Samtani 51* and Sam Allen 23).

Unfortunately, we were unable to win against the other two teams in the league. Our encounters against Acton were frustratingly close. In the first home fixture, Brentham restricted Acton to 60, but were themselves bowled out for 58, after some poor batting and controversial umpiring decisions snatched victory away. Brentham scored 130/9 (Sam Allen 48 and Jack Solomon 35) in the second fixture. Acton reached the total in the last over, after rain and more controversial umpiring hampered our efforts to defend the total. Matt Loureiro and Josh Steadman ended on figures of 4/26 and 3/9 respectively; both players were on hat-tricks, but were unable to convert.

Away from home Brentham posted 113/5 (Vinay Samtani 62* and Jack O'Brien 19). Acton chased the total off 18 overs (Alex Burnett 2/10). The fixtures against Wembley were generally one-sided affairs. In the home fixture Harry Davies was on yet another hat-trick that was not converted.

Several Friendly matches took place throughout the season. The first fixture against Old Actonians was lost, but included one of the highlights of the season: Matt Loureiro bowled a hat-trick, ending on figures of 3/15! We beat GWR after bowling them out for 79, chasing the runs with eight wickets down. The second fixture was not as successful, with GWR posting a mammoth 165, and Brentham ending on a respectable 140/8 (Will Cunningham 28*).

The Under 13's Player of the Year Trophy was jointly awarded to Jack Solomon and Vinay Samtani. Jack performed consistently well with the bat, and captained the side very competently. Vinay put in some match-changing batting performances, bowled with pace, and even managed to play in the men's 4th team.

Special thanks go to Ken Drane, Peter Brandreth, Chris Healey, Richard Hooke, Hallam Moseley, Luke Budden, Jayesh Kansara, Parag Khanapurkar, Karan Joshi, Joe Brandreth, Tom Brandreth, and the Colts' Parents.

Player of the Year: Jack Solomon and Vinay Samtani
NISHANT PATEL

Under 11 and Under 10 report

A year of fun, enthusiasm and progress but alas we were unable to win any games. This was mainly due to the fact that our Team consisted of very few actual Under-11's and in the Under-10's, the Team contained several 8-year olds! Our morale was always high and the Team had great camaraderie. What was pleasing to see, as Coach, was how each child progressed in all Departments of the game as the Season went on. The side was ably led by Sam Allen and David Hooke. There were fine contributions with the bat from Sam Allen, Jack Whittaker and George Yates along with improved bowling from Josh Neil, Nicholas Morrison and David Hooke.

Player of the Year: David Hooke
