## Summary of 2009 Season

**1<sup>st</sup> XI:** An up and down season for “the Trees” starting off against Harrow and winning chasing 275, moral was high even though we did our best to try and throw it away. The highlight of this match was our newest addition Anant Brahmhatt, “AB” who showed that you do not score in singles. We reached the finish line with 2 wickets to spare. The next couple of weeks saw close games again, losing with one over to spare to Southgate and by 3 runs to Enfield. The Trees brought back down to earth.

Luck changed for the Trees, 3 wins on the bounce including an impressive victory against a much fancied Twickenham side. Bowling the opposition out for 93 with Matthew Lowen producing a breathtaking spell of swing bowling taking 4 wickets; we did cross the finishing line in nervous circumstances by 4 wickets.

Comfortable victories over North London and Uxbridge sent us up to second. To add, Naz Ali bowled well taking 5 for 54 in the latter.

During the first 5 League games the team was very inconsistent and relied heavily on the batting partnerships of Luke Budden and AB. As well also as Naz and Matthew with the opening bowling partnerships. I must also add that there were a few cameos of batting from a Mr Mughal.

However our fortunes seemed to decline over the rest of the season as the weather and the lack of experience going against the Trees. With no results in 2 games and losses in the other 3, times became a little bit nervous. Losing the flips of the coin and poor batting displays, notably against South Hampstead and Acton, did not help the cause.

A change of fortunes over the next couple of weeks collecting winning draws against Enfield and North London, in games that the Trees should have won. A change in these fortunes has to be linked to the 2 newest additions to the club, the 2 Pauls (Atherley and Sylvester). These games were very frustrating especially at Enfield where they collapsed to 58 for 7 with over 30 overs to take the final few wickets, but the Trees became unstuck and had to settle for the 4 points.

As the season concluded, teams around Brentham were picking up points and so the gap at the bottom was getting smaller. The next 4 games started off against Twickenham, who seeking their revenge bowled the Trees out for 76. The next game brought our first centurion of the season (Enter Parag our overseas player who arrived slightly late scoring 135), but the next was a disappointment. The trees were unable to defend a score of 270 in an exciting game where Acton only had two wickets to spare when reaching their target.

With 2 games left the Trees were only 8 points above the bottom 2 but with Uxbridge effectively gone, it was between 4 clubs for the other relegation spot.

The penultimate game saw us lose to North Middlesex after being bowled out for 146, a side with promotion in their eyes and totally dominated the game from start to finish. So the last game against South Hampstead meant destiny was in our own hands, as long as they did not win the Trees would survive. In a nervous game an important toss win meant that Brentham bowled first taking full advantage of the new ball bowling the opposition out for 103. A simple task you might add ....., not at Brentham. However on this occasion we batted sensibly (for the first time of the season) and won by 6 wickets. A season that started off with so much promise turned into a dogfight.

But lets get our priorities right, a young side with Tom Brandreth showing there is a bright future by showing some gutsy batting at the start of many innings. Matt Lowen by far the best bowling taking 32 wickets at an average of just over 15; impressive reading. He was supported largely by Naz Ali (26 wickets at 29.35) and Sully Mughal with 20 at 23.15. When looking at the batting AB scored 516 runs at an average of 47, not bad for a man who played 5 games in the 2s when Parag arrived. Along came Mr Budden with 436 at 29.07. Paul Atherley, Amit Puri and Parag Khanapurkar all contributing with over 200 runs in the year.

Thanks must go to Ivor; his dedication and hard work has helped me during my first year of captancy. Hopefully last year can be used as a stepping stone to progress this season. With more West London clubs being represented in the Premier League, the local area is becoming more competitive and we need to step up to the task. Up the Trees!!!

### **VISHAL VAKANI & JAMES PETTIFER**

**2<sup>nd</sup> XI:** What a season! Having been looking over our shoulders at one stage at the lower placings, to finish the season with 5 wins from our last 6 games and finish in second place, thus winning promotion at the first attempt back up to the top division was a great achievement. Not only that but 147 turned one (he tells me), Jazz and DT turned up for a match on time and Bolg went through a whole game without contributing any leg byes. Rumours of Pikey buying a round though have yet to be substantiated.

At the end of the 2008 season which saw us relegated from the top division, I thanked the players for all their efforts and expressed the intention to bounce straight back. That we managed to do this with a much changed team made it even more satisfying. Unfortunately the 2nd XI scorebook went missing after the final Kenton game while I was away having my wisdom teeth out, so I'm unable to provide the same level of stats as in previous years. If anyone does know where it is, please let me know!

The season started at newly promoted Harrow. A lack of pre-season preparation from our side and a good performance from Harrow saw us having to settle for a point.

The next game saw us claim our first victory of the season, with Alex Watson picking up 5 wickets against Shepherds Bush on a damp wicket. As they struggled to 130, so too did we in the run chase. Chris Healey's 50 was match-winning although 4 byes saw us creep over the line with 8 wickets down.

Our next game saw us to travel to Finchley. On probably the best wicket we played on during the season, some hostile bowling was seen off by a bruised skip who made 95, with some able lower order contributions seeing us over 200. An interesting opening over from Pikey with 11 runs after 1 legitimate ball saw Finchley off to a flyer, but superb spells from Jayesh and 147 reigned in their scoring and only some tail-end blocking saw us fail to gain 10 points – we settled for 4.

Next up were another newly promoted side in Highgate. Once again a good bowling display from Jayesh and 5 catches without the gloves from Skip saw us put pressure on their batters. Chasing 160, James Overy hit a belligerent 80 to see us home despite the traditional Brentham late collapse.

Top of the table Acton were our next opponents. As usual a tricky wicket and some good bowling put us under pressure. PK making his debut and Joe Brandreth late on supported skips unbeaten 107, well with 30s as we made 190. PK shone with the ball, bowling a great spell of leg-breaks and googlies taking 6 wickets and we came so close to taking the last wicket, but had to settle for a point.

The game against Barnes saw us fall to our first defeat. 50 from PK was really the only highlight as they comfortably passed our total. They were to beat us again later in the season when 10 dropped catches contributed to our own downfall.

Uxbridge saw the tradition of Brentham captains losing tosses continued by Pikey against the bottom team. Batting first, PK with 94 and Bolg 46 help us to a total well beyond a struggling Uxbridge team.

Unfortunately despite another 5-for from PK their tail-end were able to block out and another 4 points were ours.

Our trip to Kenton was full of incident. Some excellent hitting from their opener who made 80 before attempting a Gattling-esque suicidal reverse sweep initiated a major collapse to 130. PK and 147 picking up good hauls. In response we made a stuttering start and were 64-4 before 4 leg byes came our way (Bolg wasn't even playing!). A couple of drops started to fall followed by hailstones and a major storm – game over and we had got the 4 points by 1 run. Home games against Ickenham and Harrow yielded a point and 4 points (the later thanks to a superb 60 from Bolg in the rain) and we were lying in 7th place.

Shepherds Bush saw the debut of Paul S and Leroy and their contributions of 80 and 42 plus 5 wickets leading to an excellent victory were outstanding. A total of 200 was way beyond the Bush as Leroy's pace and AB & 147s spin/slow bowling respectively saw them out for below 100. A wet wicket and a lost toss wrote off our chances against Finchley, but we were back to winning ways at Highgate, again in the Brentham way, not before a lot of laps from skip & Bolg. Excellent bowling from Leroy, Pikey denied a hat-trick and 147 & AB all contributed to us chasing 114 for victory. Regular wickets fell before Jazz came in and struck a superb 42 to win the game.

Another damp wicket but this time a won toss saw us beat Acton convincingly, with AB hitting 60 chasing down 130 with 147, Pikey & AB contributing well with wickets again.

Following the defeat against Barnes, we bounced back well with a convincing victory against Uxbridge who were relegated as a result. A weakened side against Kenton was lead by Jayesh who put in a captains performance with both bat and ball in inspiring a win which put us within touching distance of promotion in the game against Ickenham. With an excellent bowling performances with 147 and JK again in the wickets, Fraser was able to make hay and score his maiden 2's league 50, ably supported by Tom Brandreth, seeing us home to victory by 9 wickets and promotion

My thanks go to all the players who represented the 2's this year, to John Capps for his umpiring which I hope we will be able to rely upon next year as well. To Yogi who did an excellent job in taking over the Team Sec duties and despite some late Friday night calls / Saturday morning texts we managed to get full sides out. To the 3 overseas players who played for us at some point of the season, all of whom contributed some outstanding performances. Finally I would like to thank the retiring James Bolger for all his support over the past five

seasons since I took over the captaincy from him. Firstly as my Vice-Captain and then as senior pro his advice, knowledge of the game and enthusiasm has been much appreciated. He will be greatly missed next season, especially as we will need to find a way of getting the runs that his pads contributed to our totals.

The target for next season has to be to stay in the top division. We need to recruit as a club so we have the strength in depth to do this. Many second team games in this coming season will be close to the standard seen in the 1s so people will need to improve their performances to do this. I hope we can and am looking forward to the coming season already.

### **JON MAYS – 2nd XI CAPTAIN**

**3<sup>rd</sup> XI:** Another year and another new regime for the 3rd XI cricketers to come to terms with. Unfortunately for them, the upheaval within the club had left the side under the amateur leadership of Rajiv Patel. The only question that remained was whether it would be the unrivalled on-field success of the Hamidon regime or the fantastic Brentham PR circus of the David Hall regime?

The first game of the season was away at newly relegated South Hampstead side. We batted first and struggled to 152 all out and eventually lost by five wickets. Despite this, there were encouraging performances from Sachin Puri who made a very well constructed 60 and from Joe Brandreth and Eamonn Brett with the ball. Special mention must go to Eamonn who did not manage to finish the game after a piece of fielding at short cover left him looking like a Picasso!

So we moved on to Shepherds Bush at the second home of cricket, Warren Farm. We won the toss and elected to field. Both Brett brothers bowled exceptionally well and Ciaran picked up 7 and Eamonn 2 as we bowled the Bush out for 137. Unfortunately we fell short, despite good knocks from Paul Whelan and Faisal Ahmed.

Next up was Wycombe House who bizarrely decided to field after turning up with only 6 men. So against 4 fielders and the tea man we posted 229 with contributions all down the order. Their batting performance was even more farcical as they crawled to 67 all out off 38 overs, with one batter scoring a real cameo; 6 off 79 balls. We finally had our first points on the board and the start of our rise up the table.

Unfortunately Kenton the following week was a hiccup with the side being outplayed throughout the game. We responded against Ickenham in very impressive style with a huge margin of victory.

Jayesh Kansara joined the side and scored a great 100 to get us to 240 all out and then picked up a couple of wickets along with Adam Haras-Gummer to lead us to victory by 138 runs.

The coming weeks saw victory over Bessborough by 46 runs with the skipper chipping in with runs and wickets and the following week against Acton by 38 runs. We also beat Harrow Town by 79 runs with Faisal Ahmed getting a well played 50. All games were won by really good partnerships on the batting front and great commitment in the field. The bowling efforts of the Brett brothers, Adam, Jayesh, Sully Mahay and Joe also greatly helped in moving us quickly up the league table. The turn of the season came with a hard fought 1 point draw against promotion rivals Highgate on a weekend when the side struggled for availability. Paul Sagggers batted resolutely and saved us from letting promotion rivals Highgate moving too far ahead of us.

Our most satisfying victory came in the following game against South Hampstead. We calculated that we had an average age of 17 on that day against a side that was a full 10 years older than us on average. We bowled them out for 150 with the skip taking 5 wickets on a typical Warren Farm wicket. The impressive thing came with the batting. In fading light against a non-league ball, we managed to chase the score with 7 down. Sachin lead the way at the top of the order and cameos from Ciaran, Joe and Sahil at the end helped us over the line to a great win.

This was followed by the lowest point of the season with, theoretically, the strongest side we put out all year against the Bush. Bowlers bowled too short and the fielding was shambolic, with Eamonn particularly impressive with 3 incredible drops! Special mention must go to Alex 'Winky' Watson who agreed to bowl an off stump line to restrict runs and then suffered from a Tourettes outburst about the field when he served up leg stump half volleys!

The following week we got 4 points against Wycombe House with Fraser Coxhill, Joe and Jayesh leading us to 223 and we fell infuriatingly short as we got Wycombe House 9 down but failed to take the remaining wicket. We then brushed Kenton aside as they fell from 50 without loss to 106 all out and Fraser and Sachin knocking off the target in 20 overs and by 10 wickets just before a thunder storm.

Away at Ickenham the following week there was a repeat scenario as we failed to bowl out Ickenham and only picked up 4 points. We were bowled out for 170 and were struggling when they were 100 for 1. A fantastic spell from Adam then reduced Ickenham to 110 for 6 and a quick double from Sahil left us on the brink of victory.

Unfortunately we couldn't grab the last wicket. Ultimately the 12 points we missed out on in these weeks cost us.

In the final stretch of the season we struggled to get a point with Bessborough, followed by three heavy defeats to Acton, Harrow Town and Highgate.

This left us in 4th place in the league below two of the relegated sides from the previous year and Highgate. The season overall was a huge success and especially through the progress of several young players who will be important to the Club in the future. The efforts of Joe, Sachin, Sahil, Paul Whelan, Faisal, Adam, Eamonn and Sully contributed a lot to the team's results and spirit throughout the season. Furthermore, the experience of Winky, Nish, Fraser, Jayesh, Immy, Paul, Touchy and Ciaran were also major contributors. A special mention must go to Mrs. Sagggers whose fantastic teas kept us well fed and with the physical state of most of our side, food was a great way of raising morale! Also to Keith Brett whose loyal scoring and general help made the running of the side on a Saturday much easier and whose help was greatly appreciated.

Overall it was a great season and progression and promotion are the two main aims for next year. Congratulations to everyone who played this year and thank you for making it an enjoyable year for all. Bring on next season!!

**RAJIV PATEL – 3rd XI CAPTAIN**

**4<sup>th</sup> XI:** A new season and a new captain for the 4th XI. At the start of the season the side were looking for promotion to the 3rd Division of the 1987 League whilst providing a base for the development of the youthful colts to come up and shine. Where many of the colts did do this the fight for promotion quickly developed into a battle for survival in the League. Notable stalwarts were Matt Newton, Jamie Mansi who were constantly in the 3rd XI / 4th XI along with Chris Hitchcock and Eamon Brett. The team was working hard to attain the first win of the campaign which never looked like being possible until the return home-leg against Crouch End.

In the 12th match of the season having posted 209/5 in 44 overs largely thanks to the ever rock steady Dilip Wilson (60), Steve Gaffin (42) and a quick-fire (45) from James Hitchcock and a steady hand from Ryan Pettifer (23) helped put the team in a very good position at the half way mark. The team bowled as well as ever with the young Stefan Walecki taking 3/18 off just 6 overs with his probing leg spin,

2/44 off 11 for Imran Raza, 2/16 off for Chris Hitchcock, 1/19 off 7 for brother James, with overs running out youngsters were unable to bowl with their restrictions the Skipper had the honours 2/10 off 2 overs finished the game off for a win. There it was the first win of the season and 25 points better off. Our good run of results started with our result against Richmond 5s with a good draw with rain helping us out, following on by another good draw against the league winners the following week chasing 239 in 45 overs it was left to the developing colts Daniel Raza 51 n.o. and Jamie Mansi (18) batting out 14 overs to get what we deserved. The 4's would not lose another game until the last game. We would actually play the last game against Lohana. Having set Lohana 132 to win, they knocked them off in 28 overs for 2 wickets. The last game of the season was a chance for everybody to celebrate and just have fun as relegation was out of the question as GWR failed miserably towards the back end of their season but unfortunately we couldn't take to the field as Twickenham 5s couldn't get a side together and we were given 10 points. Needless to say the end of season bash started rather early for those who were allowed to consume alcohol.

Some stand out performances were: Stefan Walecki with 3/26 and then a 40 to end the Season; in the match that got us safety in the league with another good contribution from the unlikely source of Tom Berry better known for bowling with a best of 34 and the only 2 wickets to fall in the same match; in our loss to Lohana 3s, Dilip Wilson with 177 runs in 3 matches; James Hitchcock 123 in 3 matches; Manoor 123no.; in our win against Shepherds Bush, Steve Gaffin 163; in 9 matches Imran Raza 200 in 10 matches and Ryan Pettifer 243 runs in 12; Imran Raza, the all rounder, also took 21 wickets in 122 overs and was the most potent strike bowler who knew what he was doing and we had until Selection got better towards the end of the season.

I would like to finish off with a few thank-you's. These go to Imran Raza for all his help through the season on and off the field, helping with some last minute players from nowhere taking over the Captaincy whilst I was working. Jon Squires for keeping wicket as only he can whilst knowing the league rules better than most and all the support for Imran and myself at the games. The last big thanks goes to Neil Berry (Tom's Dad) for providing the team with the all important third car to transport the players to the games, home and away. If there is anyone else I have forgotten then I am sorry but thanks again to everyone no matter how big or small their contribution. As the saying goes "every little helps" ! **STEVE GAFFIN, 4th XI CAPTAIN**

## ISLE OF WIGHT TOUR 2010 – FIXTURES

**Monday 26<sup>th</sup> July to Friday 30<sup>th</sup> July 2010**

## **SOCIAL REPORTS**

### **DARTS TOURNAMENT – 8 MAY 2009**

The Brentham (Cricket) Darts Night was a night designed to raise some much needed funds for the Section and, as a result, the Section raised £405 thanks to the 16 people who entered the tournament, a well supported raffle spread over the course of the tournament and 2 Saturdays for more tickets to be sold. With some outside contributions from Paul Whelan and the never far away Mike Avery and Chris Healey, so many thanks to them.

The format of the tournament was 4 leagues of 4 with the top of the league going into the semi's but as we had some budding darters amongst us we managed to put another round of games in so 2 qualified from each group to go into the quarter finals, then semi's and into the final which saw the already "eliminated" Tom Brandreth –v- James (147) Pettifer. From the original set up Tom finished the league in second place so got another chance at the title of Darts Champion. As you may have guessed Tom Brandreth won the competition and was crowned the first (but not the last), Brentham CC Darts Champion for 2009. Congratulations to Tom who played very well throughout the tournament and hit 2 hundreds, with one being the highest score of the tournament (134).

Another surprise came from Adam Haras-Gummer who took away the prize for Highest Checkout with 79.

Many thanks to all who supported the evening as we look to the next tournament to see if Tom Brandreth can retain his Crown as Champion or if we have another budding "Phil Taylor" in our ranks at Brentham CC

**STEVE GAFFIN, Tournament Organiser**

### **SIX A SIDE REPORT – Sunday 23 August 2009**

So, after two years of planning, it had finally arrived: The Brentham CC 6-a-side Tournament. After an aborted attempt last year it got underway at 11:13am (only one year and thirteen minutes late!) In typical Brentham fashion the organisers had to deal with last minute drop outs and no-shows but despite that, every team had at least seven squad members to choose from.

The first match started in an untypical Brentham manner with a Brentham team getting off to a good start. Unfortunately this was at the expense of an opposing Brentham team as Ashwin hit the first over of the Tournament for 23 (Sachin's BIG talk beforehand not really coming to fruition).

This start enabled Ash's team to reach an imposing 83. Although unable to pick up any wickets, miserly bowling from Joe Brandreth and Matt Lowen helped them to victory. Elsewhere in that group, Sachin's team comprehensively beat John Lyon School before John Lyon scraped past Ash's. After some complicated maths, Sachin's and Ash's teams progressed to the semis.

In the second group, Yogi's team got off to a nightmare start with AB being caught at traditional mid-on (in a 6-a-side tourney!). However, Ryan Pettifer decided to anchor the innings and was undefeated on 7\* after 5 overs (cheers!). It came as no surprise when their oppo, ESP, knocked the winning runs off with balls to spare. McCann's, led by the wicket-keeping James Pettifer, defeated ESP before losing to Yogi's team (strangely Yogi's promises of "big licks", "teeing off" and "murder" never materialised – quel surprise!). Again, the mathematicians were called in and ESP and McCann's filled the remaining semi-final spots.

Both of the semis went Brentham's way and the final was a rematch of the competition's first match: Ash vs Sachin. This time Sachin's team batted first. Amit, the 1st XI opening batsman, strutted out to the middle, gazed confidently around the ground clearing picking the spot to where his first six would disappear to. Unfortunately for him, he hit it straight to Matty Lowen instead – out for a diamond duck. BAD LUCK! Their score of 60 was never going to prove too difficult, especially as they had made the tactical misjudgement of leaving Imran out of the final. Ash's team knocked the runs off for the loss of just one wicket. Congratulations!

We soon found out that the cricket was just a starter as Viru turned up with a lorry full of chicken kebabs, a sound system and a phalanx of chefs. They took over from, a now singing and dancing, Dilish Patel and everyone tucked in to some top quality food. The beers disappeared at a healthy rate and those left standing made their way to the Redback!

Overall a massive success! Over £800 raised! This was made possible through the organisation and enthusiasm of Ashwin and Yogi, ably supported by Matt and Rajiv. A huge thank you is owed to Viru for bringing down the sound system and food and everyone else who turned up before 9am to help set up and make the day such a success. Only one thing to improve on for next year (according to Cappo): we need ONE can of Diet Coke!

## **Summary of 2009 Season – Colts**

This season did not see any of our teams challenge for league or cup honours but it did see a large number of boys making considerable progress. We attempted to address the small number of U10 and U11 players by holding an open evening prior to the start of the season. This was reasonably successful in attracting very young boys but did little to make a difference to the size of the squads for the younger teams.

Again it was good to see the number of boys going on to play regular adult cricket for the lower elevens and it was also pleasing to note how several colts made it into the top two senior elevens on a regular basis.

The colts festival was blessed with some good weather and a very good turnout of colts and adult captains and supporters. Thanks to Imran Raza for organizing a barbeque to round off the day. This day really gets the club together.

Colts week was restricted to games for the U13 and U15 who played three games each. The U13 were victorious in all three and the 15s won two. The games were 30 over affairs which gave opportunities for boys to play a longer innings and eat some excellent teas. Sadly the Friday in-house day was washed out.

Thanks to all the coaches who turned out on a regular basis both to coach and to run matches. We were very fortunate that our overseas coach Jayesh Kansara was both reliable and inspirational. He was a great source of knowledge and was largely responsible for the progress made by many of the boys. We hope that he will return this year.

Thanks again behind the scenes to Richard Hooke for collating the results and to Ken Drane for sorting out registrations and fixtures amongst many other things.

**PETER BRANDRETH**

### **Under 17 Report**

Although there were exams going on all summer it seemed the U17 team proved to be a reliable and easy to manage group. Although being battered by Ealing first up (the least said the better), we were more than a match for most teams. Notable victories included Old As in the pouring rain (credit to them for staying out there), Acton (twice), Chiswick & Latymer, South Hampstead and Perivale.

Good individual performances came from; Luke Felix who took loads of wickets and who three times got a wicket with the first ball of his spell; Adam Haras-Gummer, Jamie Mansi and Joe Brandreth who bowled well throughout; and Finn Grist, Tom Brandreth, Sam Cato, Ravi Patel and James Hitchcock who all got runs at important times.

To those who will no longer be colts next year we wish them continued success in the senior teams. Many of the names mentioned above have played together since the Gubby Allen days. Great scoring by Keith Brett(thanks).

Player of the year: Tom Brandreth

### **Under 15 report**

The side was in a very strong group with both Ealing and Wembley possessing several county players and the league therefore being between those two. We did, however, produce some good performances and we had a good sized squad to pick from.

We beat South Hampstead early on with a good all-round performance with both bat and ball as well as taking some good catches. Matt Newton (30) and Joe Brandreth (20) were not out at the end and Faisal Ahmed batted well before succumbing to cramp! Joe and Tom Berry took three wickets a piece. The return was rained off. Ealing A and Wembley were far too strong but Joe (30 & 56) and Faisal (65 not out) performed well with the bat. Chris Hitchcock bowled well against Wembley away with the return washed out.

We won one and lost one against Ealing B and both were really good matches played in a great spirit. In the first which we lost we batted well with Sachin Puri (40) and Joe (25 no) but were terrible in the field, dropping catches and generally not supporting the bowlers. In the return we were in trouble chasing down 120 until Joe (45no) and Faisal (35no) saw us home in the last over after being in deep trouble. Our cup run ended at home to Wembley although on this occasion it was the bowling and fielding which made up for some poor batting and gave a start-studded Wembley a bit of a fright.

Player of the Year: Joe Brandreth

**Under 13 report** The season started off with a cliff hanger finish against Old Actonians in the opening round of the Cup. Brentham snatched victory with the last batsman grabbing the required 2 runs off the last ball of the match. Stefan Walecki led the way with the batting but was forced to retire on 30. League games against Ealing A & B then followed but our batting was not up to the task and we lost heavily on both occasions. There was, however, an outstanding bowling performance from Will Paul who took 6-14 against Ealing B. Will was presented with the match ball by the Ealing team management before the start of the next match with Ealing.

The next match was against Shepherds Bush in the Cup and we ran out easy winners by 7 wickets, Aram Galichian (30\*) led the way. The team then recorded their first league win against Wembley with Jack Solomon taking 3 wickets. Of the Cup Final against Ealing the least said the better. Heavy defeats against Perivale and Ealing A in the league then followed before a narrow victory was recorded against Ealing B. Exceptional bowling from Sam Lewis (3-8) and Aram Galichian (6-5) secured the points. Our final match saw a heavy loss to Wembley but Stefan Walecki returned figures of 4-36 with his ever improving leg spin bowling.

Player of the Year: Stefan Walecki

**PAUL HARRAGHY**

**Under 11 and Under 10 report** An energetic and exuberant Brentham U11 side saw a range of fortunes over the season. The season started with defeat against Wembley. A game where we conceded over 50 runs in extras saw us come to within 4 runs of their total due to a late flourish from Josh Steadman. Another nail biting finish occurred against South Hampstead. Yet again our bowling was a let down, conceding more runs through wides than off the bat, but somehow, through a mixture of interesting running and cultivating shots we came within a whisker of the target. Victory came at long last against Acton where we bowled and fielded well enabling us to register our first win.

The return fixture against South Hampstead saw another tense match but this time we were able to learn from our previous mistakes and bring about another well deserved victory. This was due to a fine opening stand between Sam and Shoaib, both of the under 10 squad.

There were good batting performances throughout the season from Sam and Shoaib, whilst the bowling saw fine contributions from Harum, and Josh. The U10 side played only a few games but a good time was had by all. Unfortunately our results did not match the enthusiasm the players showed on the pitch.

Player of the season: Sam Allen

**IMRAN HAMIDON**

## **HON. SECRETARY'S REPORT 2009 SEASON**

The season after the centenary year was always going to be both difficult and different on all levels. There were to be changes on the playing side, as well as in the Club Officers and on the Committee. Due to the small size of the cricket committee, formal monthly meetings were abandoned in favour of weekly telephone catch-ups and follow-on emails - the modern way.

### **JANUARY**

The AGM was preceded by an EGM to implement certain policy changes required to the Constitution in line with MCB recommendations (Clubmark). The changes have been made. The AGM saw significant changes in personnel plus a very welcome addition of a treasurer, John Overy, to the ranks. Guy de Jonk once again prepared the Annual Accounts.

After the AGM, honours were bestowed on Jonathan Vincent who became Life Vice President and on Mark Sagggers who became Vice President.

### **FEBRUARY**

The Annual Dinner again took place at the Club. Organisation was down to David Bolger and Roger Dakin. Next year the date for the annual dinner will be changed so that it does not fall in Half Term with the hope that more of the younger generation will attend.

The new Club Captain sent out his Pre-Season Letter.

The first Section Liaison Meeting with the Main Committee was attended to outline the current finances of the Main Club.

A full pre-season meeting with all captains, vice captains, fund raisers, admin committee and colts section was also called. Although it was felt that the meeting was very useful, it was decided not to hold such a large meeting every month

### **MARCH**

Groundsmans' bonus was paid in recognition for all his hard efforts for the 2008 season.

Indoor Nets took place at Finchley and St. Benedicts.

David Bloomfield has been representing the Club at the MCCL meetings for nearly 40 years and requested the younger members to take over this role and suggested two volunteers to cover holidays and other contingences. He is still waiting for his replacement!

The new (and old) Team Secretary attended the Spring League Meeting with David.

**APRIL** Subs were due. The Handbook was distributed.

The Saturday Bonus Ball was struggling and a very conscious effort was made to obtain new recruits to bolster this form of fund raising.

A Colts Open Day was organised to promote Colts Cricket at Brentham. Active Ealing took the reigns for promoting this event with local schools. Representation from both Colts and Senior Sections of Brentham were in attendance but still the numbers were very disappointing.

#### **MAY**

Steve Gaffin "powered" the Cricket Section's Inaugural Darts Evening held on the 8 May. This was well attended by the younger members of the Club and it is hoped that this will become an annual event.

The new Coach (an overseas player) arrived. He was already known to some in the Section and his presence would make a valuable addition to the Colts and Seniors alike, both on and off the field. The plan is that he will return next year to ensure continuity.

#### **JUNE**

The Quiz was cancelled due to the lack of people available to organise it. This was to be postponed to later in the year, November.

#### **JULY**

News that Ron Chambers had moved to the Cardiff Bay area to be closer to his sister was received. The Section wishes him well. It is believed that some of you are in touch with him and his family there.

A Monday night selection meeting was held at my house. Viru and Jayesh kindly supplied the spicy chicken and cooked it on the BBQ whilst the meeting took place.

#### **AUGUST**

With the pressures of work and the non-availability of players Cricket Week this season had only one fixture.

There was a Six-a-Side on Sunday 23 August. The main organiser was Ashwin Kapoor who was aided by Yogesh Prahbu, Luke Budden, Viru, Jayesh and Dilesh and Shilpa Patel. Next year it is hoped that everyone, young and old will support this event so that it becomes a major fund raiser and a Club Day for the Section.

#### **SEPTEMBER**

The end of the League Season with the resultant league positions were debated and discussed. An "unofficial" End of Season Party in the Top Bar was held as usual. Awards were handed out.

#### **OCTOBER**

The League Dinner took place as did the posting of the Pitch Markings and the Fair League Results.

## **NOVEMBER**

This month witnessed the Main Club's Fireworks night, when the whole Club came together to organise this massive event. Richard Devine, as usual, was the main stalwart in the organisation of this event.

A Quiz was held in the Main Hall this month and was well attended. Keith Brett was the Quiz Master with Steve Gaffin responsible for the raffle. It was another profitable evening.

## **DECEMBER**

A Big Bonus Ball Draw was held.

## **GENERAL**

The Section achieved Clubmark Accreditation due to James Martin who ran this mammoth task from start to finish for which the Section is most grateful. Accreditation means that the Section has achieved and confirmed its commitment to being a safe, effective and child-friendly cricket club.

On a sad note 2009 saw the passing of two of our Vice Presidents; Mrs. Rayner in the early part of the year and Clive Denty in September. Both were avid supporters of Brentham and will be sadly missed.

Clive joined the club in 1960 and maintained a deep association for almost 50 years. He was an outstanding and dedicated wicket keeper with the characteristic of being left handed. He served as Fixture Secretary in 60s and early 70s and had been a Vice President for nearly 30 years.

Mrs Rayner and her husband Councillor Rayner before her had been Vice Presidents of the Club for over 50 years. It is support like this that has made the club into what it is today.

This year was indeed different. The teams are younger as are their captains and vice captains. All participants are growing in confidence, on and off the field.

More people have come forward to help out with fund raising this year which is most welcome.

The Section had a number of "firsts" this season in the fund raising stakes with Steve's Darts Tournament, Ashwin's Six-a-Side and Keith Brett's Quiz Night as examples. It is hoped that these will continue to expand and the Section looks forward to seeing all the Cricket Section at these events next year, from Colts, Colts Parents, to Senior Players, their families & friends to finally the VPs and Life VPs.
