COLTS ADMINISTRATORS REPORT

The Colts section continues to flourish providing coaching and games for 100 boys and the enthusiasm and application that is emerging from the section is encouraging for the clubs future.

As in previous years all age groups entered the various mini-leagues and cups.

The Under 11's met with little success in their league programme winning only one game. However, they are a very "young" Under 11 side and proved their potential by winning all their games in an Under 10 cricket festival at Ealing and with several of the side having trials with Middlesex this winter the future is promising.

The Under 13's finished second in their mini-league and with greater application the '89 season will, I'm sure, see greater success.

The Under 15's yet again did not fulfil their potential by only winning one game — they are a talented side, if only they performed to the best of their ability, success would surely follow.

The Under 17's under the captaincy of Richard Devine proved to be the major success of the section winning the Middlesex County Championship. They put in a number of good all round team performances finishing their season off by winning the final by 27 runs against a strong Wycombe House side in a tense game. It is worth noting that many of this side made major contributions to the senior elevens this year.

The Colts Festival proved yet again to be a major success with some excellent cricket being played and we were lucky for it to be blessed with what seemed the only day of summer.

A number of boys played for the South Area in representative games and also a number of boys attended County trials. With Sam Finlay, Gavin Juster, Lee Irons and Tom Kerry representing Middlesex in their respective age-groups.

I would like to express my thanks to all those who take part in the running of our Colts — without whom it just could not happen.
